SIGNATURE AND STAMP OF THE SCHOOL

By means of this Admissions Document, you, the undersigned

1. Formally reserve a place in the school. At the time of registration, you will receive the Administrative Rules, the content of which you will expressly state that you know, together with the Educational Plan and Ethos of the school, which are accessible in the CAV, "Comunidad y Aula Virtual" (Community and Virtual Classroom) online platform, to which the school will give you access. While waiting for said access to the CAV, you may request to be sent these documents by e-mail.

2. The father, mother or guardian undersigned declares that he has custody of his child (by court order of precautionary measures or by final divorce ruling if this is the case), and that the other parent knows and accepts the enrolment of the child in the Centre and that he is aware that this decision is subject to knowledge and approval of the other parent and, in the event of disagreement, to the decision of the competent court.

3. You authorise the School to transfer the student to the nearest medical centre with which the school is affiliated in the event of an accident or illness, always after attempting to contact the parents/guardians by all available means.

4. DATA PROCESSING

4.1 DATA MANAGEMENT

In accordance with current regulations, we hereby inform any interested party that

(hereinafter "The School") is the party responsible for handling personal data. Data is processed both manually and automatically

4.2 USE OF DATA

Data is required for the following reasons:

- Processing Admissions.
- Financial and administrative management.
- Setting up and management of direct debits for your school account.
- To enable the owner of the data to exercise their legal rights.
- Administrative and educational management

4.3 LEGITIMIZATION OF DATA HANDLING

- Consent from the owner of the data.
- Draw up contract between the owner of the data and the school upon admission of the student to the school.

4.4 POTENTIAL RECIPIENTS OF YOUR DATA:

- Bodies associated with the Nace Schools Group in Spain which appear in the following URL: <http://naceschools.com> said bodies being permitted to use said personal data solely and exclusively for the aforementioned purposes.
- The school's banking institution and the banking institution of the data owner in order to process the direct debit instructions in accordance with current regulations.
- Relevant taxation administrations in fulfilment of the necessary legal and fiscal obligations.
- Relevant public educational administrations in line with legal requirements.
- Receiving institutions in the event of a transfer of files.
- During the course of study at an educational institution overseas, student, parent and guardian data can be transferred to said institution for the purposes outlined above.

4.5 COMMERCIAL COMMUNICATIONS

Commercial information that the school might consider to be of interest to you can be forwarded to you by any means, including electronically, to inform you of news, products, services, offers or any commercial content related to the School. You may cancel those communications by sending an email to

In relation to the above, the school informs you that the communications made by the school within the provision of contracted educational services will not be of a commercial nature.

Likewise, the entities of the NACE SCHOOLS Group in Spain that appear in the following URL: <https://naceschools.com> ask for your authorisation to send you commercial communications by any means including the electronic informing you of news, products, services, offers or any other content related commercial **Please check the box if you are interested**

Finally, the School requests authorisation to send commercial communications from third parties on activities related to training, language teaching, sports, music, leisure.

Please check the box if you are interested

4.6 LENGTH OF TIME FOR WHICH DATA MIGHT BE HELD

Personal data provided by the interested party will be kept for 10 years from the time at which the final payment is made to the school. If a student is not admitted to the school, data shall be kept for 5 years following non-admission. We would note that, by legal requirement, data constituting a student's academic record shall be held indefinitely.

4.7 RIGHTS OF THE OWNER OF THE DATA

The owner of the data has the right to withdraw their consent to the processing of their data at any time, however, this withdrawal could result in the withdrawal of the provision of educational services and activities. Additionally, the owner of the data can exercise their right to access, correct, delete, suppress, limit and/or withdraw said data. Similarly, should the party concerned consider that the School has violated the rights inherent in the applicable data protection regulations, a complaint can be filed with the Spanish Data Protection Agency. Should the affected party wish either to exercise their legal rights, or to make any query or consultation relating to the management and protection of data, they should contact the Data Protection Representative for the school concerned or for the Nace schools Group:

- Data Protection Representative for Nace Schools Group:

With regard to data provided for students aged 14 years and over, consent must be obtained from the student themselves in order for the school to use the data for the purposes outlined above.

5. You authorise your child's attendance at and participation in the academic and extracurricular activities that the School schedules during the school year, whether these be outings, excursions or trips.

6. The parents or guardians signing this document commit to pay the fees established by the centre. Failure to pay two monthly instalments will result in the suspension of the services contracted with the School, until the whole amounts due have been paid in full.

7. The School, through the "New Agora Auxiliary Service Society", has contracted a 'Continuation of Studies Insurance' for all NACE Centres which guarantees that every student whose parents are insured (mother, father, or both parents in accordance to the contract) can continue their studies in the School to end of Baccalaureate in the case of death or total and permanent disability. With the objective of covering this type of circumstance, and with the accumulated experience we now have, we recommend everyone to contract this insurance in addition to any other life insurance you may have. It is an annual insurance and covers the whole school year. It should be contracted on the Admission Form or on the Enrolment Reservation Form and will be charged for in the September monthly school fees. There is also an option for paying for the insurance in monthly instalments which will be charged together with the monthly school fees
